1. Installation and Setup. MetaTrader 4 Client Terminal

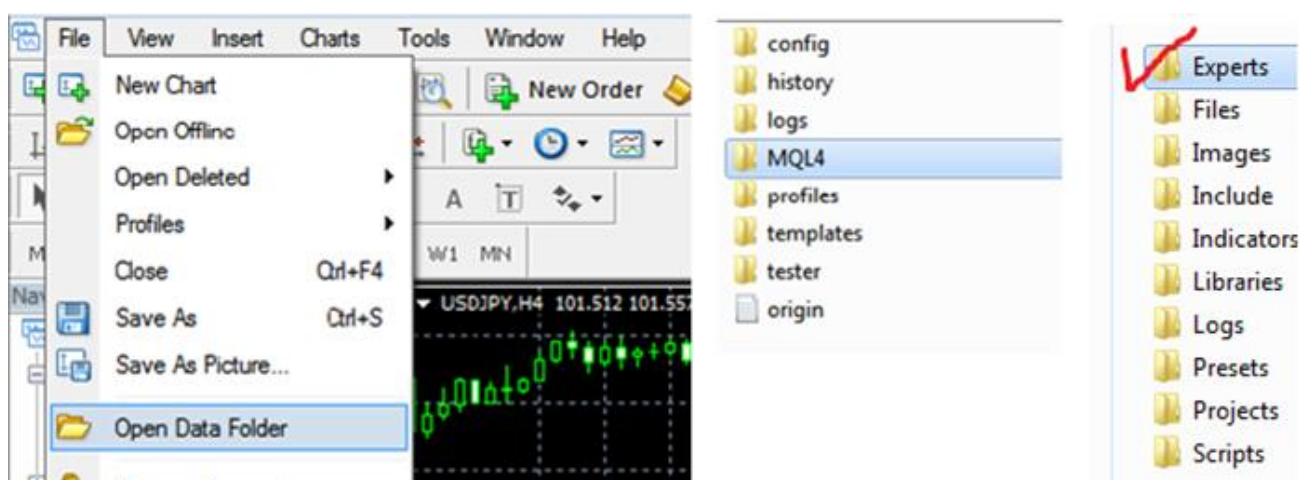

VIDEO GUIDE <https://youtu.be/U0HnjspPZxw>

After you downloaded this package and got ex.4 files for installation, please follow next steps. Open your MetaTrader4 and follow this path to the folder:
MT4 > File > OpenDataFolder > MQL4

LET ME HELP YOU TO FIND THIS NEW FOLDER:

Start MetaTrader4. Select File in the menu, **Open Data Folder**.

Open **MQL4 folder** – check the picture in the middle. We need Experts folder inside of MQL4 folder.

Copy and paste ex.4 file in **Experts** folder. **Now RESTART MetaTrader4.**

The file will appear under Navigator list. The Navigator panel displays accounts, indicators, expert advisors and scripts available.

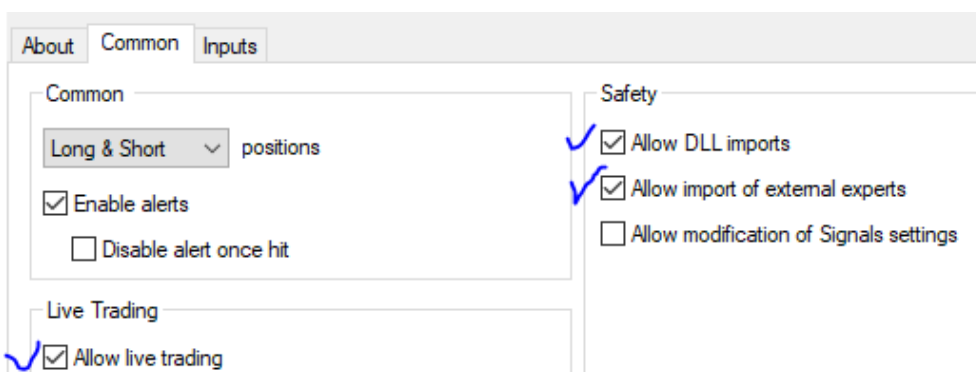

If you followed the simple instruction above, you should see this indicator in Indicators.

If you don't see it there, please make sure you have placed the file in the correct folder, as described. Relaunch MetaTrader 4 and check it once again.

If it is still not listed there, contact our technical support by sending an email to: den@eliteit4u.com

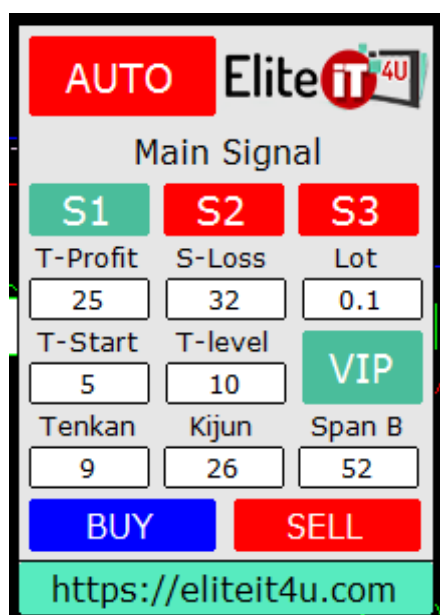

2. Open ANY pairs, M30 - H1 time frame.

A window with the settings appears. Open Common settings and **enable Live Trading and DLL imports**. It is required for Auto Trade option. Please, make all the settings in the "Common" tab the same as below.

All the parameters are controlled from the chart in its trading panel

Click OK

AUTO: up to 2 trades on auto by its signals

S1/S2/S3: choose the one of Ichimoku strategy

Take Profit: target profit in Pips

Stop Loss: max loss in Pips

Lot: lot size value

T-start/level: trailing SL parameters. It counts as on example: 5 (start) + 10 (level) = 15. At + 15 Pips profit, your SL moves to +5 (start) Pips and follows the price on 10 Pips level.

Tenkan, Kijun, Span B: are major Ichimoku parameters.

BUY/SELL: place trades manually if needed.

Check the chart view example with the S1 strategy (Tenkan & Kijun cross)

COOKIE POLICY FOR ELITEIT4U.COM ("ELITEIT4U TOOLS")

Our use of cookies and other information-gathering technologies:

A "cookie" is a small text file which is stored on the user's hard drive or mobile device. Cookies perform a number of functions associated with browsing websites and are used for a variety of different purposes, such as tracing users from page to page on an internet site, thereby enhancing a user's browsing experience. They are generated by web servers when the user enters an internet page and are passed to the user's computer or mobile device and stored for subsequent future access.

We use cookies on this website and the purposes for which they are used are detailed below. You are not obliged to accept cookies and you can modify your browser so that it will not accept cookies. However, if you do so this may affect your browsing experience and certain functions within the website may not work.
